

Rules

- The participants are expected to attend **at least 70%** of classes to successfully graduate from the programme.
- The assignments must be completed **on time (before the related session)**. We expect you to communicate with us if you are not able to complete your assignment before the specified deadline.
- The participants are expected to be active on **Microsoft Teams Space** “FTL #1Ethiopia ML Bootcamp”. All the necessary documents will be stored in the space.
- The participants must avoid every form of plagiarism including cheating on examinations or assignments.
- The participants are expected to be active on the **WhatsApp group**. The official announcements, activity planning, collaboration and communication will be on WhatsApp. Thus, it is your responsibility to have WhatsApp on your devices and make sure to get notifications.
- The participants should have or create a **Github** account to submit additional assignments.
- The participants will be given **feedback forms** to share their opinion about classes. We kindly ask you to fill out these forms.
- Please read the **Code of Conduct** carefully. These set of rules are crucial in order to protect our safe space.
